LOGISTICS

1. Mileage (per mile over 50 miles). CILASiM would like to encourage musicians to carpool. This is not only beneficial for the environment, but also, in doing so, carpooling helps to reduce the overall expense of organizing concerts and other events. The music director reserves the right to coordinate and/or assign passengers to vehicles so as to minimize said expense.

Vehicle operator mileage shall be calculated for those musicians who live over fifty miles away from the location of the first service, and are based on the total distance between the residence of the vehicle operator and the location of said service. In the event of a tour lasting at least three days or more, point-to-point mileage from each service to the next will be paid to the vehicle operator.

- a. Vehicle operator65.5 cents per mile

2. Lodging: CILASiM will pay for lodging in double rooms that will be shared by two musicians in each room. The music director will make every effort to coordinate room assignments to ensure the comfort and satisfaction of each member.

Musicians who prefer private accommodations are responsible for booking and paying for these.

3. Per diem. CILASiM will pay the full daily amount of \$59.00 when that day is neither the first nor the last day of travel. The amount to be paid on the first and last day of travel equals 75% of the above-mentioned amount.

MISCELLANEOUS

1. Photography and Audio/Video Recording. CILASiM reserves the right to use any photograph or video taken at any Sinfonietta event without the expressed written permission of those included within the photograph or video. This material may be used in publications or other material produced, used or contracted by CILASiM. To ensure the privacy of individuals and children, images will not be labeled using names or personal identifying information unless written approval is provided to CILASiM by the photographed subject, parent or legal guardian.

2. Library Policy. CILASiM will provide musicians with legible and complete parts at least twenty (20) calendar days prior to the first rehearsal for which the parts are needed.

All bowings and divisi assignments will be marked as determined through a collaboration between the Librarian, string principals (first second violin, first viola, etc.) and the Concertmaster.

Music should be returned to the Librarian after the final service. Failure do so may result in the assessment of a replacement cost.

3. Force majeure. CILASiM may cancel or reduce the number of previously scheduled services in the event of: material damage by fire or otherwise to the hall or halls in which the SINFONIETTA prepares or presents its concerts, prevention of the continuance of same by legal authority, acts of God, or *force majeure* not within the power of the parties to avoid, war, riot, insurrection, epidemic, or national or local calamity to the extent that such cancellations or reduction of services is necessary as a result of the reasons above.
